### ICOP

*Founded in 1920 by the Petrucco family, [ICOP](https://www.icop.it/en/) is an underground engineering company active nationally and internationally in the fields of special foundations, microtunnelling and maritime works. As the first benefit company in the sector, ICOP operates in the United States through its subsidiary AGH and directly in major European markets, supporting both private and public players – with a strong focus on long-term partnerships – in highly engineered projects related to the development of critical infrastructures (such as the Paris and Copenhagen metro systems) and the strengthening of energy and water transport networks (gas pipelines, aqueducts). The group has its headquarters in Basiliano (UD) and employs over 1,000 people worldwide.*
